Claim for Benefits

South Fork School District #14 hereby declares that no employee of the school district shall be allowed to claim additional service credit for earnings not reported to the Illinois Municipal Retirement Fund (IMRF) unless said employee files a written verification claim for benefits (IMRF Form 6.05 revised 2/2005) with the school district within two (2) years following the date of claimed service to the district; and South Fork School District #14 shall not contribute any additional funds to IMRF as the district's share for omitted credits unless the claim is timely filed with the school district and additional service credits are warranted from earnings records of the school district.
